

Mantis Corflute Roll

- ✓ Impact Resilience
- ✓ Quick Coverage
- ✓ Good Impact Protection

Corflute Roll

Meet Corflute rolls – your lightweight, durable solution for temporary surface protection during construction. Crafted from tough corrugated polypropylene and polyethylene, this versatile plastic shields surfaces from scratches and spills. Easily customizable and recyclable, Corflute elevates your projects.

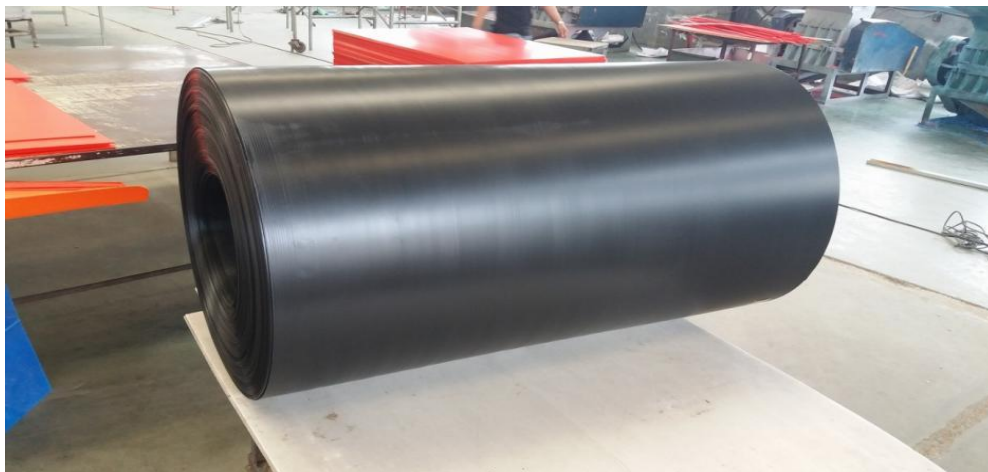

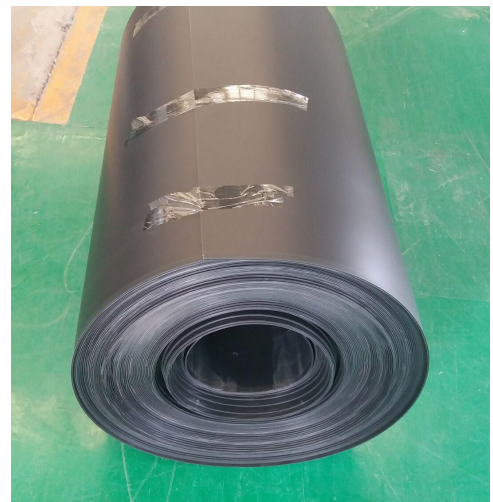

Features

Discover these benefits:

- Quick Coverage
- Portable Convenience
- Less Taping
- Impact Resilience
- Water-Resistance
- Easy Roll-out
- Unroll smoothly for a flat surface (PE option works better)

Applications

- Walkway within your job site or work area.
- Foot traffic protection and spill containment.
- Extensive use against retaining walls, wrapping tanks, steel coils, cable coils and various products.
