

Mantis

Window Protection Film

- ✓ Temporary Defense
- ✓ Easy to Cut
- ✓ Effortless Application and Removal

Our Polyethylene (PE) Self-Adhesive Film is the ultimate solution for safeguarding windows during construction and renovation. This transparent film acts as a temporary shield against dust, debris, and potential damage, ensuring your windows stay crystal clear.

Key Features:

- Temporary Defense: Protects windows during renovations and construction projects.
- Effortless Application and Removal: Applies securely and removes cleanly.

Applications:

- Renovations and Remodeling: Ideal for both residential and commercial spaces undergoing renovations.
- Construction Sites: Perfect for new builds and high-rise construction projects.
- Real Estate Staging: Ensures windows remain pristine during property presentations.
- Interior Design Projects: Guards against damage during painting and decorating.
- Commercial and Residential Moves: Protects windows during the moving process.

Choose Mantis Materials for a temporary, yet robust, defense ensuring your windows emerge from construction unscathed.
